## FROM KATHY...

Happy New Year in our gardens!!! I am looking forward to a wonderful year as your President as we learn and “grow” together. I am excited to have Sue Niebuhr as my Vice President. Please feel free to contact either one of us if you need information or have a question. The Leader Board has lined up some great speakers for the coming year. We have everything from Bats to Birds to Bonsais and more. Judy Wade and her Travel Committee have us traveling to some wonderful and unique destinations. I, for one, love these trips not only for the experience but for the perfect opportunity they offer for getting to know other garden club members. I plan to be there beside you as we take advantage of all the opportunities we have to make our garden club better and to raise funds for scholarships. I get goosebumps every May when the scholarship recipients stand up and speak because I know I had at least a small hand in helping to support their dreams. So again, Happy New Year and may 2020 be the year that the deer stay away from your plants and trees!

## JANUARY 15, 2020
