FROM KATHY...

Awww February... A great month for reading books, gardening books, of course! I get itchy this time of year, as I'm sure we all do, to get out and start digging in the dirt. With our "you never know from day to day" weather I am looking forward to a break in the clouds to get out and wander around my garden. I am presently enjoying my Lenten Rose as it is gracing me with blossoms.

I want to thank Kathryn Rydz and Teena Wardin for visually taking us through some beautiful gardens at last months meeting. That helped to get my gardening juices going, as well!

This month we will be joined by Chris Simpson from the TWRC to speak to us about one of my favorite animals. BATS! My husband, Greg, made me a bat house for Christmas. I can't wait to find out fro Chris the best place to hang it!!

And remember: "No winter lasts forever; no spring skips its turn" - Hal Borland

FEBRUARY 19, 2020 – At our February meeting Chris Simpson will be answering all of our questions about bats!

ELIMINATING GARLIC MUSTARD WEED – Suzanne Wade has been working diligently to try to eliminate garlic mustard weed growing around the Art Guild. This weed is very invasive and any effort to remove it is appreciated. It could be growing in other areas. If you would like to learn more about this weed and how to identify it, or if you would like to assist Suzanne in her efforts feel free to [contact her at suzanne.wade52@gmail.com](mailto:suzanne.wade52@gmail.com) or 608-334-4517.

2020 DUES ARE NOW BEING COLLECTED.

\$15 cash or check made out to FG Garden Club. Pay at any of the general meetings or mail to: Sue Niebuhr, 233 Forest Hill Dr., 38558
