At this time all meetings remain canceled as well as all classes at UT Discovery Gardens. We will continue to keep everyone updated as things change.

The next time you drive by the Fairfield Glade branch of First National Bank on Peavine Road check out the beautiful planters at the front and back entries. We can thank garden club member Cynthia Rossiter for how great they look! Cynthia planted two new bushes in the front pots and flowers all around in front and back. Thank you, Cynthia!

Due to Covid-19 the Fairfield Glade Garden Club made the difficult decision to cancel its annual Fern & Geranium Sale this spring. This sale is one of only two major fundraising events held yearly in support of its Scholarship Fund which allows the Garden Club to award college scholarships to local Cumberland County students pursuing an agriculture major.

The Fern & Geranium Chairperson, Liz Musial, got creative and worked very hard with the Cumberland County High School Agriculture teacher to find a way to sell plants grown by CCHS students. Liz enlisted friends and co-workers from Gwin Realty to help, and plants were sold at Gwin Realty as pre-orders only. As this was not a Garden Club sponsored activity, the efforts of Liz and her team not only supported CCHS during a time when the school was closed, but the proceeds were then donated to the Fairfield Glade Garden Club Scholarship Fund. A sincere thank you to Liz Musial and her team for all of their hard work!
