FROM KATHY...

Goodbye February, hello March!!!

It's time to get back out into your gardens if you haven't already. According to Cumberland County Master Gardener's "Gardening Almanac for the Plateau" March is a great time to get ahead of the weeds by pulling them as they show up. Prune your roses and begin to spray them for black spot. Plant tender bulbs and tubers such as gladiolus, lilies or dahlias. And on a rainy day when you can't be in your garden, March is a great time to pinch back your houseplants to generate new growth. Let the gardening begin!

FG GARDEN CLUB MEETING ON ZOOM!!!

On **March 31, 2021 at 10:00 am** we will have our first virtual Garden Club meeting with a speaker. Greg Upchurch from the Cooperative Extension office will talk to us about *preparing the soil for a good foundation in our gardens*. There will be a time for questions, as well. Following Greg's talk, please stay on the call for a short update on what is going on with the Garden Club

We are aware that not everyone has used Zoom, so following are two links on how to join a Zoom meeting:

- HOW TO JOIN A ZOOM MEETING FROM AN EMAIL LINK ON YOUR COMPUTER – YOU TUBE
- JOINING A ZOOM CALL FOR THE FIRST TIME: FUN AND EASY ONLINE CONNECTION – YOU TUBE

Then on March 26th at 10:00 am we will host a trial run to help you familiarize yourself with Zoom. You will receive an email with a Zoom invitation for the March 26th meeting and another one for the March 31st meeting. See you on Zoom!

The Garden Club Leader Board is looking for members-at-large who have an interest in participating in the behind-the-scenes operation of the Garden Club. This is a great way to make new friends while participating in discussions and decisions of our club. You would be attending Leader Board meetings which are held the Friday prior to the 3rd Wednesday of each month (our normally scheduled club meetings). The Leader Board has been meeting via Zoom and hope to resume in-person meetings in the near future. If interested, or if you have additional questions, please contact Sue Niebuhr at uwesue1@gmail.com or (440) 376-4110 or Kathy Spancake at kathy.spancake@gmail.com or (570) 441-5527.
