## FROM SUE...

Can you believe the holiday season is already here? Your Leader Board wishes you all a Merry Christmas and a happy, healthy new year.

This is a reminder that there will be no general meeting in December. We look forward to seeing you in January.

Since this is the last newsletter of the year I'd like to take this opportunity to say a little something about Kathy Spancake. Three years ago she signed on to be our Vice President which meant she became the club's President in 2020. The President usually serves one year, however because 2020 was what it was, Kathy volunteered to stay on as President for 2021 as well. You need to know that Kathy was the one who made sure the club made it through 2020; she was the one who kept us going! She will say she had plenty of help, but she was the one who spearheaded everything. I've had the pleasure of working with Kathy as her Vice and Co-President. I can only hope I can live up to her legacy. But Kathy will continue to be on the Leader Board. She will continue to work tirelessly for the Garden Club and I will take every advantage of that. So, it is with sincere appreciation that we say thank you, Kathy Spancake, for your service and your friendship.

Laurel Kime will be coordinating the Hospitality treats and goodies at our General Meetings in 2022. She will need volunteers to bring treats and goodies to each meeting. At the January meeting there will be sign-up sheets for future months, but to kick us off Laurel asks that if you can bring something to the January meeting please email her at [lkykime@gmail.com](mailto:lkykime@gmail.com) and let her know what you will be bringing. We are all looking forward to having this yummy part of our meeting returning!
